

CAE WILLIAM G. BELFRY MEMORIAL SAE SCHOLARSHIP Application 2017-2018 Academic Year

This application must be typed. Handwritten applications will not be considered.

ABOUT:

This scholarship program is sponsored by The Canadian Academy of Engineering and the Society of Automotive Engineers, through the generous support from friends of the late William G. Belfry. Mr. Belfry was a long time member, exemplary leader and exceptional engineer within the SAE and its Central Ontario Section. This scholarship was established to honour his passion for life, his leadership skills and his dedication to the service of others. Applicants will be judged on academic and leadership achievement, essay content, intent to pursue a career in mobility engineering, and involvement in SAE collegiate chapter activities with a recommendation from a previous employer and/or faculty staff member.

ELIGIBILITY:

Only Canadian citizens attending a Canadian university engineering program are eligible to apply.

TERMS:

One \$2,000 scholarship will be awarded annually.

SUBMISSION DEADLINE: 20 MARCH 2018

Recipients will be notified by the end of May. The list of recipients will be posted on www.cae-acg.ca.

APPLICATION REQUIREMENTS:

- From Page 2 onwards of this document- completed and signed by applicant
- Recommendation letter (signed) from a past employer or a Faculty Staff member
- Official university transcript

SUBMISSION REQUIREMENTS:

Send your submissions to cae-admin@cae-acg.ca

School-related activities (college or high school)	
Non-school related activities	
Honours or awards you have received	
Society memberships and involvement, including SAE Collegiate Chapter	

Essay (250-300 words): *Text box will expand as needed.*

The original sponsor of this scholarship, SAE International, is the professional society for advancing the engineering of mobility systems in the aerospace, automotive and commercial vehicle industries. This includes all aspects of the design, manufacture, maintenance, safety, and operation of vehicles, devices, systems and infrastructure used on land or sea, in air or space. Hence, part of the purpose of CAE/SAE scholarships is to encourage students to pursue a career in the field of vehicle mobility engineering. The Canadian Academy of Engineering is the national institution through which Canada's most distinguished and experienced engineers provide strategic advice on matters of critical importance to Canada.

Describe why you chose to pursue a degree in engineering and your short-term and long-term career plans and goals.
