

**2020 CAE Scholarship Winners Announced  
Ottawa – (13 May 2020)**

*The Canadian Academy of Engineering is pleased to announce the winners of its 2020 national scholarship competitions.*

The winner of the 2020 CAE Bruce Aubin SAE Aerospace Design Award is Ms. Megan Holmes, a Mechatronic Systems Engineering student at Simon Fraser University. She is recognized for her work on the 1U cube satellite that is due to go into low earth orbit in Q2 2021.

The winner of the 2020 CAE William G. Belfry SAE Award is Mr. Ben Sprenger, a Mechanical Engineering student at the University of Toronto. He is recognized for his work on Formula-E racing.

The Canadian Academy of Engineering (CAE) partnered with the SAE Foundation Canada and the Aubin and Belfry families in 2017 to offer an undergraduate scholarship in transportation and mobility engineering, and an award for university students' outstanding aerospace design. The *CAE Bruce Aubin SAE Aerospace Design Award* is valued at \$2000, and the *CAE William G. Belfry Memorial SAE Scholarships* is \$2000. The awards and scholarships are given annually to top engineering students from across Canada. Information about the scholarships can be found at:

**About the Canadian Academy of Engineering (CAE):** The national academy through which Canada's most distinguished and experienced engineers provide strategic advice on matters of critical importance to Canada. The CAE is an independent, self-governing and non-profit organization established in 1987. Fellows of the Canadian Academy of Engineering are committed to ensuring that Canada's engineering expertise is applied to the benefit of all Canadians. CAE works with other senior Canadian and international academies, and is a founding member of the **Council of Canadian Academies**, along with the **Royal Society of Canada** and the **Canadian Academy of Health Sciences**. Learn more at [www.cae-acg.ca](http://www.cae-acg.ca)

**About SAE Foundation Canada:** Since 1999, SAE Foundation Canada inspired Canada's future technical workforce by providing access to SAE's award-winning STEM education programs, awards and scholarships.
