

Emeritus Fellows

The following outlines the eligibility and requirements for Active Fellows to become Emeritus Fellows:

Extract from Fellowship Nomination and Election Policy:

EMERITUS FELLOWS

Any Fellow, having reached a threshold age that shall be recommended by the Board and whose combined age and years of Membership in the Academy equal or exceed a number to be determined from time to time, as recommended by the Board, may apply for transfer to Emeritus status. Notwithstanding the preceding, a Member must have completed at least five years of active Membership, before applying for transfer to Emeritus status. Emeritus Fellows will pay a nominal fee, to be set by the Board, to cover direct Academy costs. Such Fellows will remain on the mailing list of the Academy, will receive a copy of all publications, and can serve on Committees. They will be welcome to attend all meetings of the Academy, but in a non-voting capacity. They will not be eligible to hold office or act as proposers of new Members.

Emeritus Membership Criteria:

Currently (since 2007) to be eligible for emeritus status, an Active Fellow must have reached 70 years of age as of January 1 of the current year, and have been an Active Fellow of the CAE for a minimum of 5 years.
